We know you'll be pleasantly surprised by how much more you'll get while spending so much less.

From time sheets to taxes, Allen Street Consulting is big enough to handle your needs and small enough to remember your name.

Bookkeeping Services

Are the day-to-day tasks of keeping your books getting in the way of running your business?

Are you overwhelmed with endless paperwork?

WE CAN HELP. We specialize in growing small businesses and non-profits. Knowing how your income is being generated and where your money is being spent is a key factor in whether your business just survives or thrives.

We offer a variety of bookkeeping services, from basic expense tracking to complex job costing and report customization.

Consulting Services

Need help streamlining your business? Let us apply our expertise to examine your business processes and analyze your financial reports to improve efficiency and profitability.

We also offer a range of QuickBooks consulting services, helping you set up, customize or troubleshoot QuickBooks, and providing friendly tutoring to maximize the power of QuickBooks in your organization.

Our Pledge:

Only what you need, custom fit to your organization.

.....

We know taxes can be
STRESSFUL
We're here to help you,
so you can get
BACK TO BUSINESS

About us

Heidi I. Jones

heidi@allenstreet.net

Heidi has worked as a business and QuickBooks consultant with a range of clients, from local non-profits and small businesses to federal agencies, since 2003. She brings her extensive knowledge of Pennsylvania and New York employment tax laws to help our clients maintain compliance while maximizing process efficiencies.

Terry Mickleson, EA

terry@allenstreet.net

Terry worked at the Internal Revenue Service for 10 years before joining Allen Street Consulting, specializing in employment tax issues. He worked directly with small businesses, helping them to understand and comply with their obligations. He now puts this understanding in full effect in administering our payroll services.
