

Hydraulic fracturing? Shale Resources and Society Institute? What the *frack* is going on underground in WNY?

Come find out at a screening and discussion of Josh Fox's

THE SKY IS PINK

**THURSDAY SEPTEMBER 27th at 7pm
12 O'Brian Hall (UB North Campus)**

Fox is the director of the Oscar-nominated doc *Gasland*, this is an 18-minute short film taking on the possibility of New York state passing legislation to allow fracking.
