Re: Church of the Ascension – Driveway Dispute

Gentlemen:

I have been retained by the Church of the Ascension to assist them in resolving the dispute that exists between the Church and yourselves concerning each party's respective driveway.

Would you be so kind as to forward my letter to your attorney so that your attorney and I may be able to work out a resolution that will be satisfactory to both parties. Please have your attorney contact me at the above address and phone number.

Sincerely,
